Hey! My name is Kevan. Crazy to think, but this year will be my 10th summer at Good Times Summer Day Camp. Time really does fly by! Over the years I have had the incredible honor of spending long hot summer days with so many incredible children. It has been one of the greatest experiences of my life to help shape them into better people as they grow. Needless to say, this summer I aim to do the exact same. I can't tell you how excited I am to be back around your campers!

I am thrilled to share that that I graduated from Concordia University Chicago this summer with a master of arts in teaching degree after spending the fall semester teaching at Glenbrook North High School & Attea Middle School. It was an absolutely amazing experience. I am also opening up a music recording studio out in Barrington! I couldn't be more thankful for the blessings in my life.

If there is anything I can do to make your campers summer a better experience, please know that I am always ready and willing to listen! Let's make the summer of 2017 filled with great unforgettable memories!

## A LITTLE BIT ABOUT ME...

I am glad to be back! I am Director Alberto Guevara and after running our Naperville location for four years, I will now be taking over in Deerfield. I can't wait to get back into bumper kickball and fast-pitch Fridays.

If I am not mistaken, this will be my twentieth summer. I seriously can not believe it has been that long. At the same time, it's been a wonderful journey. The countless memories, laughs and friendships I've made along the way has really stuck with me and I can't think of another way to spend a summer.

Currently I am in the Special Education department at Glenbard West High School where I work with students with disabilities that range from Down Syndrome and disabilities that hinder movement. My students are amazing and I love being a part of their lives. Watching them grow in the classroom has been an incredibly rewarding experience. This past year I also coached the freshman wrestling team at West. We had a really good year and I look forward to coaching next year.

It's going to be another great summer at Good Times and I can't wait to meet all our campers and participate in our very own "All Around the World" and other sports and activities. Director Kevan Bauman and I will be in charge of the older boys this summer and that means things are going to get wild. I've had the great fortune to know Kevan for quite some time and to finally be paired up with him for a group is unbelievable. I can't wait for camp to start, let's make it one of the best.
